## ADDITIONAL TERMS

For performances lasting longer than one hour, the musician will be allowed a ten minute break on each hour.

Any specific music requested by the wedding party/client shall be provided at least two months before the above event.

If any amplification is desired, the wedding party/client agrees to specify one week in advance and/or provide it.

The musician requires a space (minimum) of six by six feet (flat concrete or wood surface).

The set-up committee for the event agrees to provide one person to assist with the unloading and reloading of the harp (weight: 85 lb.)

*Victoria has been performing classical harp for nearly twenty years. She enjoys performing at weddings and events as well as sharing the love of the harp with her wonderful students! Victora has performed worldwide, touring renowned concert halls in Austria including St. Peter's Church and Melk Abbey. She performed with the American Youth Harp Ensemble, the Triangle Youth Symphony and Philharmonic, the North Carolina Harp Ensemble, and the Stanford Symphony Orchestra.*
